In para:(41) of the notes referred to above, it was suggested that the question of placing the establishment on a permanent basis might be considered after seeing the receipts for 1935-36. The existing sanction expires on 29-2-1936. If approved the question of continuing the establishment on a temporary basis or making it permanent may be taken up early in February 1936 when we will be in a position to estimate more accurately the receipts for 1935-36.

(5) The following table shows the receipts and expenditure for 12 months from 1-4-35 to 31st March 1936 in the office of the Registrar of Firms and Joint Stock Companies:-

(a) Under the Administration of the Indian Partnership Act. 1932.

	Receipts. Rs.	a.	P.	Expenditure. Rs.	a	P.
Actuals from 1.4.35 to 31.1.36.	48	8	0.	966	0	0.
Probables from 1.2.36 to 31.3.36.	25	0	0.	198	0	0.
Total	73	8	0.	1,164	0	0

(b) Under the Registration of Joint Stock Companies.

Actuals from 1.4.35 to 31.1.36.	888	2	0.	143	3	0.
Probables from 1.2.36 to 31.3.36.	375	0	0	30	13	0.
Total.	1,263	2	0.	174	0	0
Totals of items (a) and (b).	1,336	10	0.	1,338	0	0.

(6) In their Express letter No.17-C(22)/32, dated the 28th December 1932, the Government of India in the Department of Commerce have stated as follows in connection with the Administration of the Indian Partnership Act,1932:

> " In framing estimates, expenditure should be
> " limited as far as possible so that it may not
> " exceed anticipated receipts from fees . In case
> " additional work involved can be carried out by
> " same agency as at present employed for Joint
> " Stock Companies, appointment of separate staff
> " would not be necessary and grant of small
> " allowance might be considered sufficient. ..... ".

In this view the receipts under the Indian Partnership Act in the Civil and Military Station do not justify the continuance of the establishment -the receipts for 1935-36 were Rs.73.8.0 while the expenditure was Rs.1,164/-.

It may however be mentioned in this connection that the work relating to Companies has been #tranferred to the District Judge with effect from 1-4-35. There was a clerk attached to the office of the Registrar of Joint Stock Companies; but this post was abolished when the work was transferred to the Dt. Judge.

It will be seen from the statement No.V. attached to S.N.3, that the Companies work is now being done by the establishment sanctioned for the office of the - Registrar of Firms and that there is sufficient work for one clerk and one peon. The receipts under the - Registration of Joint Stock Companies are also high being about Rs.1,263 during 1935-36.

(9) In the circumstances, it is for consideration whether the temporary establishment of one clerk and one peon may be placed on a permanent basis with effect from 1.3.36 when the existing temporary sanction expires.

(10) A sum of Rs.1,600/- has been provided for the - establishment of the Registrar of Firms in the Mysore Assigned Tract Budget for 1936-37.

The expenditure is increasing the work (taking both branches together) is maintaining balance, but it does not appear that there is a full-time job for one clerk. We receive returns about one Lakh of incl. Sundays, according to the figures in cash. If the Registrar on this basis I am not prepared to sanction the appts requested. They might be sanctioned for one year more, when the position is re-examined it would be well to find out whether the expenditure of the Registrar has been realised but in case of time many new firms would avail themselves of the Indian Partnership Act (Sec. 26 Act. 3) 1/34). A right also be enabled thereby of steps such could be given to the Registrar.
